RE: DDOT respond to Resolution for Letter Request to DDOT for Traffic Study to Evaluate Impacts of Potential One-Way Conversion of the 400-600 Blocks of Park Road, NW

Dear Commissioner Boese,

Thank you for submitting the ANC resolution Letter of Support for Request to DDOT for Traffic Study to Evaluate Impacts of Potential One-Way Conversion of the 400-600 Blocks of Park Road, NW. As per the ANC resolution DDOT is currently in the design process for making the 400-600 blocks of Park Road NW a one-way street. These changes will be implemented along with the improves to the Park Rd bike lane scheduled for 2022. The designs will be presented to the ANC when available, and there will be an NOI published to ensure a full community engagement process.

Thank you again, and please let us know if you have any questions.

Sincerely,

**Aaron Goldbeck**
