The following is ANC 4C's list of open TSIs, in order of descending priority order, that ANC 4C advocates DDOT to implement in the first quarter of FY24 to calm traffic, improve intersection visibility, and achieve safer streets for residents and visitors:

Brittany Kademian
4c05@anc.dc.gov
SMD 4C05

- SR 22-00101608: Grant Circle NW, March 2022 request for curb extensions/raised sidewalks/continuous sidewalks at all six crosswalks entering the circle to improve safety of young pedestrians (status is "pending installation" as of fall 2022, but it was not implemented).

Eric Heller
4c07@anc.dc.gov
SMD 4C07

- SR 23-00068655: February 2023 request for speed tables on 500 block of Webster St NW to improve safety of students at Center City PCS during school pickup/drop-off (status: "TSIs for future consideration").

Casey Swegman
4c01@anc.dc.gov
SMD 4C01

- SR 23-00148603: March 2023 request to improve the dangerous intersection of 8th/Kansas/Allison St NW (status: "TSIs for future consideration").

- SR 22-00387009: September 2022 request for traffic speed control on the 3900 block of 5th St NW (status: "TSIs for future consideration")

- SR 22-00440517 / SR 22-00356551 / SR 22-00544033 / SR 22-00536887: July-November 2022 request for converting two-way stop into an all-way stop at intersection of Quincy ST and 7th St NW (status: "TSIs for future consideration")

- 22-00438977: July 2023 request to address pedestrian safety issues at Quincy St, New Hampshire Ave, and 8th St NW (status: "TSIs for future consideration").
- SR 22-00361664 / SR 23-00229835: May 2023 request for raised crosswalks, intersection reconfiguration, and expanded vehicular enforcement at the intersection of Taylor St and New Hampshire Ave NW (status: "TSIs for future consideration")
- SR 22-00440583: September 2022 request for traffic calming measures at the intersection of 7th St and Taylor Street NW (status: "TSIs for future consideration").
